Dear Colleagues:

Stephanie Adrouny has been named Vice President of News for NBC Bay Area. Stephanie has been Assistant News Director at NBC Bay Area for more than two years and has done an outstanding job in that position. With more than 23 years of experience working in broadcast news, including more than 10 years working as an Assistant News Director at KNTV and KGO, I am certain that Stephanie will do a fantastic job in her new role.

Join me in congratulating Stephanie on promotion and new role.
