

News Team:

I am pleased to announce Brandon Behle is joining the ABC7 team as an Executive Producer. Brandon has worked in the Bay Area since March 2011 when he started as a Morning Producer at KTVU. After two years he was promoted to Executive Producer.

Brandon graduated from University of Southern California and got his start as a Photojournalist in Palm Springs at KMIR. He ended up doing a little bit of everything at that station from Sports Director/Anchor/Producer to Morning Show Producer and Executive Producer.

Brandon is a 10-time Emmy award-winning TV producer who says he's "all about telling good original stories that educate entertain and every once and a while amaze!"

Brandon lives in San Francisco with his wife and son. Please welcome him to the ABC7 family when he starts in mid-January.

Thanks

Tracey
