Hi Everyone,

Sharing the news that after 50 incredible years KABC President and General Manager Cheryl Fair will be retiring in late March.

As Walt Disney once said, “if you can dream it, you can do it” and Cheryl is the complete embodiment of that. Starting in Philly at WPVI to years running KABC as the number one station in the market and the leading source for news and entertainment, her journey with the company has been truly remarkable. She has always led with the utmost integrity, creativity and positivity and will be greatly missed by all across The Walt Disney Company who have had the pleasure of working with her.

Please join us in congratulating her on her well-deserved retirement.

Cheryl, we thank you 50 times over for your years of exceptional service!!

We will be celebrating Cheryl with the whole KABC team soon.

Stay tuned for more details.

All the best,

Debra and Chad
