Subject: New News Director

I am pleased to announce that we have hired Rebecca Johnson as our new News Director for the Gulf California Broadcast Company. Rebecca has worked for Media General for the past fifteen years. She is coming to us from WNCN, Media General's CBS Affiliate in Raleigh, NC where she has served as the Assistant News Director for the past 18 months. Prior to that she spent 13 years with WPRI, their CBS Affiliate in Providence, Rhode Island. While at WPRI Rebecca served in a variety of positions from Assignment Manager to Executive Producer to Assistant News Director. Rebecca also spent time at WGGB in Springfield, Massachusetts, where she was Assignment Manager.

Rebecca is a graduate of the University of Massachusetts and is originally from Palmer, MA which is about 70 miles west of Boston. Her strong track record working in a couple of big market newsrooms should be a real plus for us and she has a solid grasp of the digital platforms that have become such a huge part of our daily news product. Along with Tim and Rich, I am confident that we will continue to have three strong managers at the helm.

Rebecca is very excited about this new opportunity... knowing full well that she is trading hurricanes and snowstorms for earthquakes and fires! Please join me in welcoming Rebecca to the Gulf California family. Her first day will be Monday, December 19th.

Regards,

Mike
