Subject: Brian Thouvenot

I regret to tell you that Brian Thouvenot has moved on from KMOV. We wish him the best and thank him for his work as News Director. We will begin the search for his replacement immediately.

In the meantime, Amanda Purdum will assume his duties, with assistance from Jamie Hartzke, Bill McCormac and John O'Sullivan.

If you have any questions, please feel free to come and talk with me.

Thanks,

Mike
