

Everyone, I am sad to announce that News Director, Polly Van Doren will be leaving ABC22 & FOX45 on July 8th.

Polly is pursuing opportunities closer to her home state of Missouri.

Under Polly's leadership here, we have made great strides in the content we produce and are being recognized in the market as a big competitor.

Together, let's thank Polly for all her hard work and dedication to our stations and wish her the best of luck!

Sincerely,

Lisa
