Subject: Director of News - James Warner, Jr.

I am pleased to announce our new Director of News for KSWO - KAUZ, James Warner, Jr.

James was most recently content manager at KIRO in Seattle. Prior to that, he was news director at WCSC Charleston and KFSM in Ft. Smith / Fayetteville, AR. James will be not only returning to the Raycom family having been at WCSC Charleston, but James also returns to KAUZ where he was News Director in the late 90's.

With years of experience as a news director and working as a producer, he will be a strong leader who will continue to grow and evolve our commitment to news in Texoma.

I greatly appreciate everyone stepping up and working hard to get us through this transition period. I know it wasn't easy, but the positive viewer feedback speaks for itself and is a direct result of your efforts and well-constructed execution plan.

James will join us on Monday, August 1. Please make him feel welcome.
