News Directors & General Managers,

This is a WELCOME HOME email. Dan Cates just announced to the WCSC staff that Jennifer Dale is coming home to Raycom! Some of you will remember Jennifer as Assistant News Director at WTVM-WXTX/Columbus and also as Executive Producer at WMBF/Myrtle Beach. Jennifer was part of the launch team when Raycom built WMBF in 2008 and is also a graduate of the Raycom Media *Newsroom Leadership Program*. Jennifer has been News Director at WJHL/Johnson City for the past five years. During her time at WJHL, Jennifer developed an award-winning investigative franchise and also led the news expansion when the station added an ABC affiliation. WJHL now produces 44 hours of weekly local news between the two stations. Prior to Jennifer's first Raycom tour, she worked at WKRK/Mobile and WTVY/Dothan. Jon, Anna Beth and Jennifer are on their way to Charleston right now to find a place—Jennifer starts January 29th. If you want to reach out, [JenniferDale417@Gmail.com](mailto:JenniferDale417@Gmail.com) will get to her.
