Subject: Organizational Announcement: Leona Wood, News Director

Importance: High

Dear Colleagues:

I'm happy to announce that Leona Wood will be joining Bonneville on June 6 as News Director for KSL TV. Leona will be coming to us from Phoenix, where her most recent role was Executive Director of News for [KPHO CBS 5](#) and [KTVK 3TV](#). Prior to working in Phoenix, she worked for KXLY in Spokane and KIRO-TV in Seattle (which, at the time, was owned by Bonneville). Leona is married with two children, and we're excited to welcome her family to Salt Lake as well!

Please join me in welcoming Leona to Bonneville and KSL.
