I wanted to let everyone know that Holly Gauntt will be leaving us – she has accepted the open news director position at KMGH. Holly told me this morning and said that, although it was a difficult decision, she thinks it is the best move for her and her family. Holly joined our team a little over two years ago, led significant news expansion and launched the “Problem Solvers” brand on FOX31. I’d like to thank her for her dedication, leadership and efforts to help us build our news product on FOX31 and KWGN.

Because she will (literally) be crossing the street, Holly will be leaving this morning after she says her good-byes. Linda Kicak will be the interim news director. We will begin an immediate search for a new news director.

I will be attending the editorial meeting this afternoon and tomorrow morning and will be available to answer any questions. And, as always, please feel free to stop by my office or give me a ring.

We have great momentum here at 100 East Speer and that won’t change. We have built our success with the entire team – and our team will continue to execute our strong news, marketing and community strategies to better serve our viewers today and in the future.

Joan

Joan M. Barrett
Vice President/General Manager
